Welcome to Prep!

P&C Meeting
• 15th February, 2016 at 3.30pm in the Staff Room.
Welcome to the 2016 school year! I would like to extend a very warm welcome to our new students and families. We hope you enjoy your time at our school and in our community. 2016 will be another big year for Barcaldine Prep-12 State School, especially with the Barcaldine Early Childhood Education Centre (ECEC) joining us on the campus.

I would like to thank all the parents who have ensured their children are in full correct school uniform. The students on Day 1 looked splendid in their uniforms.

2015 YEAR 12 Results
Our 2015 Year 12 graduates finished their formal schooling with some excellent results. 100% of OP eligible students who applied for a place at a Tertiary Institution received an offer for further study. 100% of students achieved their QCE or QCIA; 71% of Year 12 students received a Cert II qualification and 19% received a Cert III qualification. Our 2015 graduates did themselves proud with their results and I know they will all do well as they pursue their future aspirations and I look forward to hearing of their success over the years to come.

New Teaching Staff
We have four new teachers with us this year:
Mr Mark Campbell will teach English and History in Secondary;
Mrs Marika Hill joins us in Secondary to teach Visual Art, Performing Arts and English Communication;
Mr Luke Kelly will teach Early Phase P.E., some Junior Secondary P.E, Year 7 Mathematics and Senior Pre-Vocational Mathematics.
Ms Monika Wienert is District Relief Teacher (DRT) based at Barcaldine.
We welcome all our new staff and hope they enjoy the great community that is Barcaldine.

Focus for 2016
In the days before the official start of the 2016 school year, staff were required to attend 4 days of professional development. During this time our teaching staff participated in professional development on “Teaching Challenging Texts” and “First Steps in Mathematics”. These professional developments were part of ensuring our 2016 theme “Aim Higher” is enacted in every classroom across the school. As part of our goal to ensure improvement in every student, in every classroom every day, in 2016 we will also be focussing on attendance- it is important that every student attends every day- to ensure they achieve the best results they can. There will also be a focus on Work Submission – all work, on time by all students. We achieved some great results in 2015 and if we all work together to “Aim Higher” we will achieve even better outcomes in 2016.

In All Our Best
Grant Williams
Dear Families

A new school year is well underway and it seems that everyone has settled in very well. Welcome to all new and returning families; it is good to be back and working with all of the students once again.

The secondary school has commenced very well and all of the students have been issued with their timetables – classes have settled and students have well-and-truly organised themselves for the new school year.

Upcoming events are:

- **Year 12 Leadership Camp:**
  The Year 12 students will be off to Emerald to camp Fairbairn. The students will depart on Monday, 8 February 2016 and will return to school on Friday, 12 February 2016.
  Departure time will be approximately 8.30am (as we have to wait until the buses have arrived for those students who live outside of the Barcaldine area). The bus will return from Emerald, on the Friday, in time for the students to catch their school bus from school.
  With the recent rain that Emerald has had, I would recommend that students take with them some insect spray/repellent and a fly protector for their face and just a reminder to consult the equipment list that was sent home with the correspondence.

- **Certificate II Kitchen Operations:**
  This Certificate is offered to those students in Years 10 – 12 and it is a two year Certificate. The Certificate is offered via and external Registered Training Provider (RTO) – Longreach State High School, via the ‘Big Red Truck’. There is a yearly fee for this Certificate and students need to be enrolled by the end of week four to participate in this wonderful opportunity.
  The first function these students will be catering for, will be the official opening of the Barcaldine Childcare Centre in early March – I look forward to being part of this occasion and I know that the students will very much enjoy being part of this team.
  Mrs Tanya Hamilton will once again facilitate the Certificate and I hope that the students really enjoy the work in the hospitality industry.
  Please make contact with me, should you wish to enquire about any information related to this Certificate.

- **Fundraising for Year 11 Work Experience to Brisbane:**
  The current Year 11 students are well underway with their fundraising for this marvellous trip to Brisbane. The Year 11 students will undertake fundraising to assist in keeping costs to a minimum for their trip in the latter part of the school year (end of August, beginning of September).
  We have a large class of Year 11 students and fundraising always sees the students working together as a team and showcasing the skills that many of them have; it is also a lovely time to spend with parents and carers whom also share in some fundraising events.
  Please continue to support our Year 11 students in their fundraising endeavours, such as raffles, your child attending school discos and the like.

**Changes of subjects for Year 9 - 12 students:**

Please be advised that all subject changes will need to be completed by Friday, 12 February 2016. Students will need to meet with me to discuss subject changes and this discussion will also be part of the Education Plan/SET plan discussion. A Subject Change form will be sent home for parent/carer consent; once the form has been returned to me, then the changes will be made and a new timetable issued to your child.
Please be advised that after the 12 February 2016, students must remain in the enrolled subject for the duration of one semester (this forms part of the Semester Reporting process as well as meeting the timelines for the senior curriculum requirements).

Not all requests for subject changes may be approved, as there are certain systemic requirements that must be met regarding the Queensland Curriculum and Assessment Authority (QCAA) – especially for the Year 11 and 12 students for both eligibility for entry to University, as well as meeting Core requirements for the Queensland Certificate of Education (QCE).

I am very happy to take any calls to discuss subject changes and this conversation will also suffice as parent/carer consent.

To all of the new families and students who have joined our family at Barcaldine Prep – 12 State School, I once again welcome you and I extend an invitation to you all to please make contact with me, if I am able to assist with enquiries that you may have regarding your child’s education and well-being at our school.

In closing, I would like to extend my gratitude to all students and their families for the preparation and organisation that was undertaken to be ready for a new school year – from correct stationery, uniform and resources ready to start another year of work thank you.

Regards for now

Meegan Wills
Deputy Principal

Loading & Bus Zones

We would like to remind parents of the changed traffic conditions at the front of school following the relocation of the bus stop. Please be aware that the area in front of the Prep building is now the loading zone for drop off and pick up of students and the area in front of the administration building is the new bus zone. Dropping off and picking up in the bus zone is prohibited. We have a large number of people still dropping off and picking up in this area. We ask that for the safety of our students you use the designated drop off and pick up zone at all times.
Welcome back to the 2016 school year. I would like to extend a warm welcome to those staff, students and parents who are new to our school community. Congratulations to those students who have taken on leadership positions for 2016 across the school. Throughout the year our students across several year levels will be participating in a number of tasks and tests set by Education Queensland and ACARA.

**NATIONAL CURRICULUM-2016**

Australia is continuing to move towards a national framework for schooling with the aim of raising education standards and achieving nationally consistent curriculum, assessment and reporting. In 2012 The National Curriculum began the implementation process across Years P-10 in the subject areas of English, Mathematics and Science. Throughout 2013 History was introduced. Throughout the 2014 school year staff at Barcaldine Prep-12 State School continued with this implementation with the phasing in of the subject of Geography. In 2015 the remaining strands of the humanities -Civics and Citizenship for Years 3 -8, (becoming an elective in Year 9) and Economics and Business in Years 5-8, (also becoming an elective in Year 9), Health and Physical Education programming in Prep-Year 10 also was aligned with the Australian Curriculum. In the Primary sector the Health component is taught by class teachers whilst the physical component is taught by PE specialists.

**LANGUAGES (formally known as LOTE-Languages other than English)**

It is a State School Requirement that students are taught a language from Years 5-8. At Barcaldine Prep-12 State School this language is French. The decision on which language is taught is very much based on Education Regions and teacher availability.

Our students live in a globally connected world and our aim is to create successful global citizens. Languages play a vital role in enabling students to successfully participate in global futures.

Languages:
- prepare students for 21st century living
- broaden students’ economic and social opportunities
- are a response to the disadvantage of being monolingual
- make a rich contribution to the school culture
- help Australia keep pace with global peers.

**Student exemptions**

Learning an additional language can strengthen general literacy skills and students’ understanding of their first language. It can offer a new beginning and potential success for learners who may have experienced difficulties with English.

Decisions to exempt individual students from the school’s Languages program are made by the principal, when it is identified that this is in the best interest of the student and the criteria for exemption from a mandated subject, set by Education Queensland, has been met.
Learning and Wellbeing Program

In 2016, we are continuing with contact lessons for all classes from Prep-12. Students learn best when their wellbeing is optimised and they develop a strong sense of wellbeing when they experience success in learning. We are aware that students with high levels of wellbeing make better learners. Contact lessons at our school will address these needs. The lessons are of a maximum 70 minute duration and are taught by classroom teachers in the Primary phase and Roll Group teachers in the Junior Secondary and Senior Phase.

Topics that may be covered in the Primary sector are based on the Health component of the Australian Curriculum as well as incorporating our Positive Behaviour Learning topics. In the Junior Secondary and Senior Phases topics may include Home learning and study sessions, Time Management, Self Esteem and Self Confidence, Test/Exam strategies, Changing Brain: Neuroplasticity and Goal setting. These are just examples of topics that may be covered throughout the year.

NAPLAN 2016

In Term Two Years 3, 5, 7, 9 will once again be involved in the NAPLAN-National Assessment Program—Literacy and Numeracy. National tests are a way of providing information on how students are progressing and provide support for improvements in teaching and learning. This testing occurs across three days and has been scheduled for May 10th, 11th and 12th.

Students involved with this testing will begin preparations as early as Week 5 of this term. The preparation involves students becoming test wise. That is, not teaching to the test but preparing students for test conditions, questioning techniques and the look of the test papers. Many of these strategies are already embedded in the day to day teaching practices of our teachers but it is important for students to feel comfortable when placed under stringent test conditions.

HOMEWORK CLASSES-PRIMARY

Homework classes will once again be offered for Primary students. Teachers volunteer their time to supervise and assist students with their homework in these classes. The classes are for students in Years 3-6 and will run on Tuesday afternoons from 3.00pm-4.00pm.

Until next time,

Kim Ogden

CENTRAL WEST SPORTS

UPCOMING EVENTS:

5th February — Central West Swimming Trials
12th February — Central West Rugby League & Netball Trials
13th February — Central West Touch Football Trials
PHOTO DAY & FAMILY PHOTOS

Dear Parents,

Queensland School Photography will be taking our school photographs on the following date:

Tuesday 1 March 2016

Students should wear their correct school uniform.

To ensure a smooth running day, please note that all orders are pre-paid and we would kindly ask that you hand your correct payment envelope to THE PHOTOGRAPHERS ON the date mentioned above – NO EXCEPTIONS.

Follow these steps to order:

1. Complete student details on the order envelope – one envelope for each student.
2. You may pay by cash, cheque, and credit card or online. If you have two or more children attending you may include the payment in one envelope. Please note clearly on the outside of all envelopes that you have paid in one envelope.
3. Online Orders – visit www.qskschoolphotography.com.au to order. Reference number must be recorded on envelope and handed to photographers.
4. Cheques are to be made payable to Queensland School Photography Pty Ltd with your name, address and phone number written on the back.
5. Tick the box for the package required.
6. Enclose the correct payment (change cannot be given)
7. Each student is to hand their individual envelope to the photographer.
8. Parents wanting to have their children photographed together please collect a family envelope from the school administration and bring the completed envelope along with your children to the Library from 8.00 AM till 9.00 AM. Please note if you are ordering sibling photos online, online orders for sibling photos are closed off at 4pm the day before photography. Alternatively please hand your envelope to the photographer with cash or cheque before school on photo day.

If for any reason you are not satisfied with the photos taken of your child Queensland School Photography will provide a full refund.

Queensland School Photography will accept late orders for individual and group photographs, a late fee to cover postage and handling will apply.

If you have any questions, or wish to place a late group order please feel free to contact Queensland School Photography customer service department on 07 3216 6777.

Kind Regards,

Queensland School Photography Pty Ltd

Queensland School Photography – Po Box 122, Archerfield BC QLD 4108 Ph: 07 3216 6777
On Thursday 26 November 2015 the Inter-house Swimming Carnival for 2016 was held. The day began with fun water activities for the Early Phase students and progressed into races in freestyle, breaststroke, back stroke and butterfly for the older students. A great day was had by all, with Leichhardt coming out on top.

Barcaldine Prep-12 State Schools swimming carnival is run to the age of students on the day. All records for the previous three years have been amended to indicate these results.

Mitchell & Leichhardt cheering.

Ready for races.
What a great way to start a new year! A new adventure to SCHOOL!!! There were lots of eager, smiling children to greet me at the door as we started our year at Prep together.
We have discovered all the areas around the school with our possum friend and a little monster in our story taught us about good behaviours at school.
We have begun our learning journey through lots of rotational activities, play and fine motor skills. Our new budgie friends are going to help us learn about the important things we need to live.
This term we are discovering all the magical ideas inside fairy tales. We have learnt fairy tales need:
- Good vs evil
- Magic
- Start with “Once upon a time”
- End with “Happily ever after”
- Have talking animals.

We can’t wait to share what we learnt with our families at the end of term.
Towards the end of 2015, construction on the new Barcaldine Early Childhood Education Centre began. The new centre has been built within the grounds of Barcaldine Prep-12 State School. The building is now almost complete.
New Teaching Staff

My name is Marika Hill, I have moved to Barcaldine from Dakabin State High School with my husband and two children, who will also be attending Barcy. I’m looking forward to getting involved in the community and meeting everyone. This year I will be teaching yr8-12 Art, 9-10 Performing Arts, English Communications and year 7 ‘The Arts’.

My name is Luke Kelly and I am new to Barcaldine Prep-12 State School. I am from the Gold Coast and will be teaching P.E. and Maths throughout years P-12. I am very excited to start my teaching career at this school, and even more excited to meet you all!

My name is Mark Campbell, I will be teaching English, Modern History and Humanities this year. I am originally from NSW but have recently been living and teaching in Qld. I grew up on the coast so Barcaldine is the complete opposite of my hometown but I have found the people to be very friendly and welcoming. I look forward to continuing my teaching career here in Barcaldine.

This is Monica Wienert, our new District Relief Teacher, based here in Barcaldine. As well as spending time at Barcaldine Prep-12 State School, Monica will travel to other schools in the area.

SPARQ-ed

At the end of Year 11, 2015 Tom Pumpa took part in a SPARQ-ed Research Immersion Program from 30 November – 4 December. SPARQ-ed stands for Students Performing Advanced Research Queensland and is a joint initiative between Tom was eligible for an LMRF Regional Students Scholarship from the Lions Club to help cover the cost of travel and accommodation to attend the program. As a student from a regional school, UQDI also covered the cost of the research immersion program. There are four different immersion programs run each year. The one that Tom attended was “Investigating the Effects of Aurora Kinase A and Aurora Kinase B Inhibition on HPV Positive Cancer Cells.” Students had to complete pre-reading on HPV and cancer cells. They then worked in the lab using experimental procedures and protocols. These included studying progression through the cell cycle using time-lapse microscopy and live cell imaging. Tom thoroughly enjoyed the experience of working with a group of twenty interested students using the latest equipment and technology and would recommend any student interested in a career in science apply.
Secondary Captains’ Report

Hello Everyone,

Welcome back to 2016! We hope you all had a fantastic and very well deserved holiday. We are glad to see you all so happy and ready to get back into the swing of things here at school. As always, we said goodbye to many fantastic teachers as well as wonderful families and students last year. However, we said hello to many new students and teachers when 2016 came around! This year, we would like to welcome to our school Mrs Hill (Visual Art and Performing Arts), Mr Campbell (Modern History and English) and Mr Kelly (Health and Physical Education and Junior Mathematics). We wish you all the best and we hope you have a great first year at our school.

We hope you have all settled in well and are ready to make some long-lasting memories here at Barcaldine Prep – 12 State School. To our second group of Year 7s, we all hope that you have settled in well to secondary school – it is always daunting, but believe us, it does get easier. Of course, welcome back to our ‘Golden Oldies’. We are glad to see you all back this year looking fresh-faced and cheery. We all saw your fantastic results last year at Awards Night and we hope that we can go out with a bigger bang this year.

As you may have noticed, we have lost one of our School Captains. Dean Cliffe took up an Apprenticeship over the break to further his studies in an area that he has always been very interested in. We wish him all the best for the future. This change meant that we were now short one Captain and rather than being one Captain and two Vice-Captains, we now have three School Captains. Our names are Cloe Gribble, Tom Pumpa and Bronte Wills and we will be your School Captains for 2016. We cannot wait to get out there with you all and work together towards a brighter future.

We kick off 2016 with Central West Swimming here in Barcaldine, Year 12 Leadership Camp in Emerald as well as Netball, Football and Touch trials to be held next week and weekend. We know for one, that the seniors are very much looking forward to Leadership Camp and we cannot wait to find our inner-leadership strengths and weaknesses. As for the students who will be competing in the upcoming sporting events, we wish you well. Do our school proud (as you always do) and remember to give 100%.

As in every school year, there is fundraising to be undertaken and the first round starts with the Year 11 students doing the roses for Valentine’s Day – good luck to the Year 11s for their fundraising for the year and we know if the school community will support the Year 11s in all of their fundraising activities. We look forward to hearing about your achievements in the upcoming future.

Each week, we would like to leave you with an inspirational quote. This week we have one from a French novelist and journalist, Anatole France...

‘To accomplish great things, we must not only act,
But also dream; not only plan, but also believe’

Kind regards
Cloe, Tom and Bronte

Primary Captains’ Report

Welcome to the 2016 school year. The School Captains - Lily and Riley and the Vice Captains – Angus and Mia would like to welcome the new preps, staff and students to Barcaldine State School. Just a reminder, please wear the correct uniforms and remember to be safe, responsible and respectful to staff members and your peers. We hope you have a great school year and we look forward to working with you all.

Regards,
Lily, Riley, Angus and Mia
Barcaldine State School P-12

First Day Back in The Chappy Room

What's been happening?

Welcome Back Everyone!!
Hi Everyone
Welcome back to the start of a new year and new dreams. Welcome to all our new students and families.

Chappy Room

Chappy Room will be on First Lunch on Wednesday, Thursday and Friday for Primary Students. Second Lunch Wednesday, Thursday and Friday for Secondary students. Everyone is welcome to come and join in the fun and games.

For those that have not been to Chappy Room before the rules are, it is a safe zone for all students, kind hands, feet and mouths. Only words of encouragement and praise may be used. Everyone has to have as much fun as possible by following the school rules at all times of being Responsible, Respectful and Safe.

TERM 1 • 2016

behave in the right way. On the other hand if you choose friends who are constantly getting themselves in some sort of strife, then it won’t be long before you find yourself being led into doing things you don’t really want to do.

Remember, it’s your choice. Think of the characteristics that you like most in people and then look for friends who display those characteristics.

A message from Chappy…….

Food for Thought

Friends – The people you spend most of your time with will have quite a marked effect on the way you live and act as you will find yourself adopting a lot of their habits and hobbies.

Peer pressure is often referred to as being a bad thing, but that’s not always the case.

If you choose peers whose ways are good, then they will probably influence you to

BRINGING hope TO A young GENERATION
Dear Parent,
Since 2007 students have been offered the School Immunisation Program. This year (2016) students in Year 7 as well as students in Year 8 will be offered the free vaccinations as recommended by the National Immunisation Program.

These are:
- Human papillomavirus (3 dose course)
- Diphtheria, tetanus and pertussis (whooping cough) combination (1 dose only)
- Varicella (chickenpox) (1 dose only)

Envelopes will be sent home with the students shortly. Please read the information, sign and return the consent form to the school for your child to receive the free vaccinations.

In 2017 only Year 7 students will be offered the vaccines.

For further information you can contact your nearest Child Health Nurse:
Longreach and Winton (46525500)
Barcaldine, Blackall and Tambo (46507700)
Alpha (49870700)
Aramac (46529000)

Regards,
Jan Cavanagh (Child Health Nurse)

Valentine’s Day Roses
SUNDAY THE 14 FEBRUARY, 2016

Celebrate Valentine’s Day by giving roses to your loved one, friends, parents and teachers. Each rose is given with a sweet message and a chocolate.

Deliveries will be made at school on Friday, 12 February 2016.
All proceeds go towards 2016 Year 11 Fundraising for Work Experience.
ORDER FORMS MUST BE IN BY WEDNESDAY 9/02/2016 ....

YEAR 6 - 12 STUDENTS ONLY!

Cost — $7.00 per rose

See Mrs Wills, Chelsea Walton, Kayli O’Toole, Dylan O’Dell, Dana Bronkhorst or Mady Hansen for an Order Form please ..........

Come on over throughout the day and support the 2016 Master Class  
Competitors as they challenge themselves for a great cause.  
8am to 9am—Barcaldine Rugby League Golden Oldies walk  
5pm—Come and support the ‘old boy’ on his bike without a seat (or prop him up to save his butt!)  
6pm - Barbeque  
Auction of Memorabilia and Local Entertainment  

For more information please contact Brett Harvey on 0488 400 179  

All proceeds will support Local Cancer Recipients  
Nominations are closed.  
Please support this worthy cause by sponsoring a participant.  
Jenna Peut, Corey Rose, Mark Campbell, Luke Kelly and Jeni Pumpana are participating in the triathlon and are seeking sponsorship.
