- 19th November–Formal Dinner
- 20th November–Yr 12 Finish School
- 26th November–Swimming Carnival
- 27th November–Yr 10 and 11 finish school
- 1st December Night Under the Stars.
- 4th December–Prep-Year9 Finnish School

P&C Meeting
- 19th October, at 3.30pm in the Staff Room.
Dear Families

Welcome back to term 4. This is one of our busiest terms with only 9 weeks of school and a lot of culminating activities and events happening.

Barcaldine Kindergarten

Hopefully you have all heard the good news regarding the Barcaldine Early Childhood and Education Centre. A service provider for the centre has been appointed. The following is an extract of a recent email I received from the Department of Education and Training regarding the Early Childhood and Education Centre to be located within the school grounds.

“I am pleased to advise that The Gowrie has been appointed as the service provider for the new integrated early childhood education and care facilities at Barcaldine and Blackall.

The Gowrie has a long history in early childhood education and care services, and has the capacity to commence stakeholder engagement in both communities by mid-October 2015.

As you are aware, the construction of the new facilities is scheduled for completion prior to the beginning of the 2016 school term. The contractor, Fleetwood, is on track to meet this timeframe. The Gowrie also has a contingency strategy for interim service provision should a facility be delayed. Monthly project meetings will be held with stakeholders until services have commenced from the new facilities to track progress, raise issues/constraints, develop strategies to mitigate any risks and ensure delivery timeframes are met where possible.”

2016 Staffing

At the end of every year we unfortunately say good bye to many valuable members of our community as they move on to new adventures and, of course, we then welcome new people to our community. At the end of this year, at this point in time, the following teaching staff will be leaving our school to further their careers in other parts of the state: Miss Joanna Powell, Mrs Gemma Tavita, Miss Helen Efermoff, and Miss Samantha Wahlin.

I am sure you will all over the next few months join with me in thanking these wonderful people for their contribution to our community and wish them all the best for the future.

I am also able to announce that Mrs Katrina Egerton and Miss Jenna Peut have received permanent positions with Education Queensland. Katrina will be taking Prep next year and at this stage, Jenna will be our 2016 Year 6 teacher. I can also announce that Mr Mark Campbell has been transferred to our school to teach English and Humanities in the secondary school. Mark’s previous position was at Kirwan State High School in Townsville.

Parents of primary students will be notified by letter as to their child’s 2016 teacher within the next couple of weeks.

Til next time

In All Our Best

Grant Williams
Congratulations to all the students who participated in the Winton Poetry Competition on the 10th of September. It was a fantastic day watching students perform from Barcaldine P-12 State School and several other schools from around the district including:

- St Francis School, Hughenden
- Longreach State School
- Our Lady’s School, Longreach
- Cameron Downs State School
- Longreach School of Distance Education
- Stonehenge State School
- Winton State School
- St Patrick’s, Winton

The students had to recite poems that reflected our Australian way of life. Students were able to perform both individually as well as part of a group. I commend everyone on their commitment to practising both at home and school. It was wonderful to see all students receive a certificate and/or trophy for their hard work and I look forward to next year!

• **Year 10 Fundraising:**
   A reminder to all Year 10 families that the ‘orange form’ is due to be returned on Tuesday, 27 October 2015 outline how your family can assist with the fundraising for the Barcy edge dance performance on Saturday, 31 October 2015.

   This form outlines the session times where assistance will be required for preparation and organisation for the matinee and evening performances. It also has a request for cooking of slices, tarts, cakes etc.

   It would be greatly appreciated if this form could be returned by the due date, so that I may be able to make arrangements for any ‘short falls’. All monies raised goes to the Year 210 students for their 2016 Work experience trip to Brisbane.

• **2016 Leadership Team:**
   Nominations have opened for the 2016 Student Leadership Team. The Student Leadership Team of the primary and secondary sectors is made up of School Captains (and Vice Captains for the secondary school), House and Vice-House Captains and Student Council representatives. Nominations close on Monday, 26 October (Monday); please have a talk with your children about servicing the school community in an active way as part of the 2016 Leadership Team – I will look forward to working with a new group of students; hearing all of their ideas and being caught-up in their new found responsibilities and enthusiasm.

• **Subject Selection Evening:**
   Thursday, 22 October 2015 is the Subject Selection Evening for our Year 8 students and Year 10 students. The Year 8 students will need to select subjects for Year 9 in 2016 and the Year 10 students will need to be advised of all of the information pertaining to course selection for Senior Studies (both University and non-University bound pathways). Subject Selections will be completed electronically at school and then the 2016 Timetable can be commenced, based on number of students for each class and preferred subjects.

   This evening will be conducted in the large Computer Room (A2) in the secondary school; after discussion regarding subjects, students will then select their subjects and save their course selection into their One School account.

   I look forward to seeing families and students in attendance at this evening.

   As it will be a busy term, I strongly encourage all students to be in attendance at school every day, as it is quite easy to get behind in class work, assessment and the general goings-on’s at school.

   Should you wish to further discuss any aspects of this correspondence, please do not hesitate to make contact with me.

   Until next time,

   *Meegan*
Head of Department

Year 6 to 7 Orientation Days 23rd and 24th November
Orientation Day for students transitioning into Junior Secondary in 2016 will be held on Monday 23 November and Tuesday 24 November. Information packages will be distributed to students in the coming weeks.

UNDER THE STARS-Tuesday 1st December
This year, we are holding Under the Stars again. This evening will be held at the school and will feature performances by our Prep-Year 6 students. More details will follow closer to the date.

NAPLAN-Year 4, 6, 8 Practice Testing Term 4
As part of Central Queensland Region, schools within the Region are asked to gather data on students who will be sitting NAPLAN in 2016. To do this, students in Years 4, 6 and 8 are asked to sit the 2015 NAPLAN test.

At a school level this information is then analysed to identify skills that need to become a focus for each cohort. Classroom teachers then use this information to embed identified strengths and weaknesses of cohorts into their day to day planning to either improve or enhance these nationally identified skills. This data will then be compared to the students actual testing results in 2016 to gauge individual student improvement and inform our ongoing teacher practice and improvement agenda.

The practice testing will occur throughout Week 4 of this term. The timetable of testing will be up to each classroom teacher to ensure there is least disruption to the classroom routine as possible.

NUMERACY
You may feel that the maths your child is doing at school is different from how you were taught, but you will still be able to support your child in many ways. There are a lot of activities you can do at home, using everyday items to help explore maths with your child. The activities below will help your child develop these skills.

Before School to Year 2
Playing shop
- Collect food and grocery items and label them with prices written on sticky notes or prices cut out of shopping catalogues.
- Talk about how we pay for items using notes and coins.
- Make paper money or use play money to buy and sell goods from the shop.
- Order the food items by height (tallest to the shortest) or by cost (least expensive to most expensive).
- Introduce kitchen scales to the shop to weigh some foods such as a box of tea bags or a bag of rice and order items by weight.

Year 3-6
Sports Scores
- How does your favourite sport tally the score? What maths is presented on the tally?
- How do other sports tally the score, for example, tennis, golf, cricket, netball, football?
- What maths do you use to find the total of the scores?
- Are there other ways to record the score?
- How long do your favourite sport games go for in minutes and seconds?
- Are they divided into halves, quarters or something else?
- What are the shapes of different playing fields and courts? Talk about edges and angles.
- How can you estimate the perimeter and area of a playing field?

Remember me for centuries
AWARDS EVENING
The annual Prep-12 Awards Evening will be held at the Shire Hall on Thursday 12th of November commencing at 6.30pm. The evening will see both Primary and Secondary awards presented to each year level based on the following criteria.

SELECTION OF PRIMARY STUDENT RECIPIENTS AWARDS EVENING 2015

An Outstanding Academic Achievement
Presented to the student who achieves outstanding academic results across the subject areas of HUMANITIES, SCIENCE, ENGLISH, MATHEMATICS

Most Improved Academic Achievement
Presented to the student who has demonstrated the most improvement across the subject areas of HUMANITIES, SCIENCE, ENGLISH, MATHEMATICS

Encouragement Award
Presented to the student who has worked to the best of their ability whilst always displaying an excellent attitude

PE
The PE Award is awarded to the student in each year level who has consistently and successfully demonstrated outstanding physical skills in a wide range of programs, whilst also exhibiting tactical and strategic play in game environments to enhance his/her team and individual performance. This student has also consistently displayed a highly enthusiastic, positive attitude for physical activity and sport, whilst exhibiting outstanding sportsmanship qualities.

French
This year one award will be presented per year level. The awards are given to a student who has displayed outstanding skills across all areas of FRENCH in Year 5 and 6

Instrumental Music
This award is presented to a student who is in the instrumental music program and demonstrates excellence in
- Commitment to the Program-lesson attendance, band attendance, performance attendance and Practice attendance
- Challenging personal goals-solo playing, technique, improvisation

The Arts
This year we will be presenting one award per year level. These awards applaud students who have displayed outstanding skills in the area of the arts.
SELECTION OF SECONDARY STUDENT RECIPIENTS FOR AWARDS NIGHT 2015

• Criteria for Excellence on Awards Night:
  - **Year 7 & 8 students** must have received As and/or B and only allowed 1 x C across all learning areas:
    - Core - English, Mathematics, Science, Humanities, HPE, LOTE
    - Technology (Home Economics and INTAD)
    - The Arts (Music and Art)
  - **Year 9 & 10 students** must have received A and/or B and only allowed 1 x C across their 7 subjects
  - **In Year 11 & 12 students**, an award will be given to the highest student(s) in each subject (and would be reflected by data submitted to the QCAA). The result must be above a C
    - If a C is the highest result, an award will not be given

• Determining Award Recipients:
  - The Subject Awards are to be determined at this point in time as per Year 12 Exit standards, that is ranked eg: HA5, VHA 2, SA4 etc (validation discussions – if required)
  - This system will be used to actualise the Semester One result and result for this point-in-time, that is – Semester One + Term 3 + part of Term 4 = the overall yearly result
  - The successful student recipients are not to be taken from only the Semester One Report (other than those Year 8 subjects, where the subjects changes after Semester One) – the determination is to this point-in-time (as stated above)
YEAR 11 WORK EXPERIENCE
I worked at ‘Flowers of the world’ florist and café for my work experience. I was very lucky to assist in the creation of marvelous floral arrangements. I enjoyed this amazing week being mentored by wonderful talented people and will never forget this amazing experience.

-Emily Rolfe

For work experience I worked at the school of beauty therapy. It was great and visiting Brisbane was a real eye opener.

-Brianna Gorman

For work experience I went to the school of beauty therapy. It was great and visiting Brisbane was a real eye opener.

-Brianna Gorman

I worked at AgForce, doing Event Management. By the end of the week we headed to Beaudesert for an event that we helped organise through the week.

-Cloe Gribble

I worked at Ella Moda Bridal Bespoke for my work experience. I was very lucky to be able to assist in altering as well as fitting and creating wedding gowns. I had such a wonderful week working along such lovely women as well as brides.

-Bronte Wills

I worked at QUT’s Biomedical and Science institute with Professor Dr. Christian Langton on different types of ultrasound and their application in medicine.

-Tom Pumpa

On work experience, I visited the Green Cross Vet in Woolongabba for the week. I observed in different operations and helped care for sick and injured animals.

-Letizia Moulds

On work experience, I was able to go to the Queensland school of beauty therapy, I learnt massage and make up techniques. It was a great experience.

-Georgina Emmins

On work experience, I visited Simon Paroz and Co boat builders. It was pretty cool.

-Jack Moody

I really enjoyed working for the pet-pad and people I worked for. I had a lot of fun with all the exciting activities and spending time with my friends.

-Riley Balderson

On work experience, I visited the school of beauty therapy. It was great and visiting Brisbane was a real eye opener.

-Brianna Gorman
The Barcaldine Prep-12 State School has been successful in their tender for catering for the upcoming OQTA Conference and Awards weekend. The conference and awards will run from Thursday 29\textsuperscript{th} October until Sunday 1\textsuperscript{st} November.

The P & C will be supplying breakfast and a packed picnic box on Saturday 31\textsuperscript{st} October. We will require assistance for preparation, cooking, service and clean up prior to and on the Saturday. Letters will be going home this week asking for your assistance. Please return your letters by Tuesday 20\textsuperscript{th} October.

We are aware this is a busy weekend but it is also an exciting one where we can showcase to the rest of Queensland what Barcaldine has to offer. We hope you can participate in some way.

For further information please contact Katherine Stewart on (07) 46 515 333 or Brooke Miller on 0427 185 634.

**Year 4 Experiencing Asian Cultures**

Last term, Year 4 have been learning about Asian fables and Asian cultures. To end the unit, we had a special lunch filled with different Asian foods. Year Four enjoyed challenging themselves by using chopsticks to eat these traditional foods.

“This Term I really enjoyed the food and nearly everyone went up for seconds! I also liked the fortune cookies that Miss Deb Walsh gave us.” Kadee O’Dell
Secondary Captains’ Report

Hello everyone, and welcome to another busy school term!

Being only nine weeks long, we hope that everyone is knuckling down and getting their Term 4 work done. Our final school term for 2015 brings lots of excitement for all year levels.

Having gone on Work Experience at the end of last term, the Year 11s have passed on their fundraising cap to the Year 10s. We wish them luck with their fundraising for their adventure to Brisbane next year. We are sure the Year 11s had an incredible time with their Work Experience, and learnt a lot about their future and directing themselves through the big city.

To the year 10s, we are sure that you will be throwing some brilliant discos and holding some great raffles in the new school year. We hope that the rest of the school will actively participate, remembering that their time will come to do Year 11 Work Experience in Brisbane too.

The Year 12s have a miniscule 7 weeks left of this part of our education. We are sure that all of us will miss this great school that we have been lucky enough to be a part of (after we have our Senior Dinner and Graduation) and go our separate ways to make a life for ourselves.

We would like to wish the students nominating for the 2016 Leadership Team all the best as they start to consider what pathways they want to be involved with in our school community. Being part of the school Leadership Team is really exciting and I know that skills learnt in this area will hold everyone in good stead. We really encourage as many people that meet the criteria to be part of the process.

We looking forward to having another great term with you all.

Kate and Gibby

Enrol Now For 2016
Support Our Community
By Enrollment In Your Local School

Enrolments for 2016 are now open

Barcaldine Prep-12 State School provides a high standard of comprehensive education for all children of the Barcaldine District. We aim to tailor programs to meet the needs and inspiration of our students, whilst encouraging strong community participation and links.

By enrolling your child at the local school you:

- Increase learning opportunities for your child
- Maintain a high level of funding for education within the community—including teaching and support staff.
