P&C Meetings
- 15th August
- 12th September

P&C Meetings 3.30pm, in the Primary Staff Room

UPCOMING EVENTS
• 20th July—Beginner Band Workshop Longreach
• 21st July—Prep to Yr3 Bravehearts
• 25-29th July—Morris Gleitzmann
• 1-2nd August—QCST Practice.
• 4th August—School Disco
• 12th August Eisteddford Barcaldine.
• 15-19th August Cert II in Rural Operations Emerald
• 27th August—Year 11 Work Experience in Brisbane
• 29th August—Year 10 Work Experience .
• 30-31st August QCST
• 7th Sept—Winton Poetry Festival
• 9th Sept—X-Country
• 16th Sept—Talk Like a Pirate Day
• 16th Sept—End of Term 3

NAIDOC WEEK

NAIDOC Week celebrations are held across Australia each July to celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. NAIDOC is celebrated not only in Indigenous communities, but by Australians from all walks of life. The week is a great opportunity to participate in a range of activities.

Prep-Year 6 students participated in a NAIDOC activity. They started off with being read a book, “How The Birds Got Their Colours,” which is a Dreamtime Story. The students then painted and decorated their own colourful birds to take home. A big Thank-you to the Central West Aboriginal Corporation for running the NAIDOC WEEK activities.
Dear Families,

It has been another hectic start to term 3 and it’s great to see our students quickly into the groove of school and down to work straight away.

**NAIDOC**

Week 1 of the term saw our students working with staff from the Central West Aboriginal Corporation (CWAC), recognising and celebrating NAIDOC week. The theme for NAIDOC this year was “Songlines: *The living narrative of our nation.*” Students in Years Prep to 6 learnt some aboriginal words and through story discovered how the birds got their colours and why the crow remains black. I want to thanks Janeece Thompson, Wendy Scott, Madonna Dwyer and Bob Dwyer from CWAC for their engaging activities and the time and preparation they put into planning and delivering activities. Meg Arnold also received a special gift from The Central West Aboriginal Corporation – a painting of a thank you card she did 3 years ago. This was a very special time on our Friday parade showing the strong connection between the school and our local organisations such as CWAC.

**Beginner Band**

On Wednesday 21 July our beginner band students joined students from Longreach State School, Blackall State School, St Joesph’s and Ilfracombe State School for an intensive workshop as a combined band. The workshop, this year took place in Longreach. The day culminated with a fabulous performance thoroughly enjoyed by the Longreach community.

**School Opinion Survey**

All parents are invited to participate in the School Opinion Survey. The survey assists in gauging how our school is meeting the needs of the community and in the development of the strategic direction for 2017. You may participate by copying or typing the web address [www.education.qld.gov.au/schoolopinionsurvey](http://www.education.qld.gov.au/schoolopinionsurvey) into your browser or by going to the Barcaldine Prep-12 State School website and clicking on the link at the bottom of the front page. Each family had a letter sent home this week that contained two unique codes to enter to give access to the survey. All surveys are anonymous.

The survey website is open from 11th July to 29th July 2016. I encourage all to participate.
One Punch Can Kill

On Monday 18 July, Year 12 received a talk by Mr Paul Stanley. Mr Paul Stanley is the father of Matthew Stanley who was tragically killed through a ‘coward punch’ at a party. Matthew was 16 years of age. Mr Stanley spoke of the senseless way his son was killed and the impact that has had on his family, almost 10 years after. There was a very clear message to students about how alcohol can effect young people and how getting involved in fights can lead to tragic consequences from which there is no return. Mr Stanley is part of a state-wide program educating young people about the consequences of partying and getting involved in altercations.

INTRUST CUP

On Friday 22 July as part of country Rugby League week and the Intrust Cup round being played in Barcaldine on Saturday 23 July, a development program (weather permitting) has been organised for students. Four representative players from the Intrust Cup are attending and conducting the program. This again is another valuable experience and opportunity for our students.

Uniform

A reminder about the school uniform. The school uniform is an established school dress code set and endorsed by the P & C. It is important that all students where the correct uniform at all times when attending school or a school function requiring the wearing of the uniform.

The uniform is: Every day Wear

- Green/Gold Polo Shirt with school emblem worn tucked in unless actively participating in sport.
- Black Ruggers/Poly Cotton shorts, tailored shorts and/or skorts.
- Dark green/black wide brimmed hat.
- Black tracksuit pants and bottle green fleecy lined top in winter or black sports jacket.
- White socks to be worn with school uniform.
- Black lace up or Velcro shoes (in Secondary these should have a leather upper for practical classes)

When dressed in the school uniform appropriately, our students look neat, tidy and well presented. They are dressed for work and their overall level of engagement and behaviour are of a high standard.

Til next time
In All Our Best
Grant Williams
Dear Families,

As we welcome you all to a new term, I would especially like to send a warm welcome to all of the new families and students who, in the past week, have joined our school; may your time spent with us be a rewarding experience.

I do hope that all of our students had an enjoyable holiday and it is hard to believe that we are well-and-truly into the second week of the new term.

There is much happening and on the calendar for the secondary school and it would be appreciated if some dates could be put aside in your calendars at home.

Please be advised of:

- Assessment Planners

Assessment Planners for Year 6 – 12 will be mailed to families at the end of week three; students will also receive their own copy. This document advises students and families of the required dates for assessment, detailing for your information – issue date, draft date and submission date (it also advises, what type of assessment task is to be undertaken). Should you require additional copies, please do not hesitate to make contact with me to request this.

Please be reminded that all assessment tasks will have a green cover sheet, which denotes the importance of the work required.
• Year 11 Work Experience Parent / Student Evening
Thank you to all families who made the time to attend the parent / student evening with regard to the upcoming Year 11 Work Experience trip to Brisbane. Evenings such as this are always a lovely way to get together to discuss events that our school offer. It is also a wonderful opportunity for families and students to share their family experiences and to give feedback to our staff regarding the many aspects that goes into the organisation of an event such as this.

• Year 10 Work Experience
The Year 10 students have been issued their paperwork for their preferences for work placement. A cover letter, associated paperwork and the Preference Form has been given to all students. I would like to remind families that given Year 10 Work Experience, is in the local area, preferences are given on a first-come, first-serve basis (there is only a finite number of Employers in the local area and preferences are not given because it may be a family member. Students are welcome to seek work in the Aramac and Longreach townships, however, please be reminded that all costs for associated travel and accommodation will be borne by the family.

Students who are currently undertaking a School Based Apprenticeship are not entitled to work at their work place for the week of Work Experience (as this is paid work and it negates the Contract).

• Parent /Teacher interviews
Thank you to all of the students and families who attended the Secondary School parent / Teacher Interviews. Feedback from Teachers was that it was informative and they were pleased with the opportunity to have discussions with students and their families. For the families who were unable to attend this night, please do not hesitate to make contact with your child’s teachers to perhaps reconvene another appointment or make alternative arrangements for phone contact.

In closing, I leave all of our students with a thought to ponder ...

Responsibleness:
⇒ Acceptableness of accountability.
⇒ Capability of rational thought or action.

Take Action:
♦ Accept responsibility is something to be earned so demonstrate your capacity to be reliable and trustworthy
♦ Stop making excuses – action speak louder than words
♦ Admit your mistakes and do not blame others for them
♦ Do not complain
♦ Accept what you cannot control

Wellbeing publication – publishing information not known

Meegan Wills
PARENT TEACHER INTERVIEWS

This week, Parent teacher interviews were held across the school. The interviews provided the opportunity for teachers and parents to discuss student progress. Thank you to those parents who were able to attend. If you were unable to attend interviews this week and would like to discuss your child’s progress please make contact with the school on 46 515 333.

NAIDOC

In the first week of term, Prep-Year 6 students participated in NAIDOC activities. The activities were planned in partnership with the Central Western Aboriginal Corporation. Each year level focused on the theme Songlines: The Living Narrative of Our Nation. It was interesting to see the students engage with the staff from CWAC learning language from another culture and partaking in a story based on How the Birds Got Their Colours. Students produced very interesting art pieces that were representative of the story and were able to articulate the moral of the narrative. Thanks must go to Janeece, Bob, Wendy, Donna and Karen for giving the students of our school such a wonderful experience.

CURRICULUM UPDATE

As mentioned in the previous email, in 2017 there will be further implementation of the Australian Curriculum at Barcaldine Prep-12 State School in the areas of The Arts, Technologies and Languages. In the last newsletter, I gave information on Technologies. Below is information in relation to the Languages.

Through learning languages, students acquire:

- communication skills in the language being learnt
- an intercultural capability, and an understanding of the role of language and culture in communication
- a capability for reflection on language use and language learning.

The interrelationship of language, culture and learning provides the foundation for the Australian Curriculum: Languages.

In the languages learning area the focus is on both language and culture, as students learn to communicate meaningfully across linguistic and cultural systems, and different contexts. This process involves reflection and analysis, as students move between the new language being learnt and their own existing language(s).

The content of the Australian Curriculum: Languages is organised through two interrelated strands which realise the three aims. The two strands are:

*Communicating*: using language for communicative purposes in interpreting, creating and exchanging meaning

*Understanding*: analysing language and culture as a resource for interpreting and creating meaning.

The strands reflect three important aspects of language learning:

1) communication
2) analysis of aspects of language and culture
3) reflection that involves
   ◊ reflection on the experience of communicating
   ◊ reflection on comparative dimensions of the languages available in students’ repertoires (for example, the first language in relation to second language and self in relation to others).

At Barcaldine Prep-12 State School, the specific language taught is French. The language taught is based on teacher availability and regional directives.
Welcome back to school, it’s great to see everyone working hard and back into routine again. This week the year sixes have started “Lunchtime Fun.” This is a new initiative that some of the Year 6 students have created. They will prepare and run a different game each week for their fellow primary students.

Monday Prep, Yr 1’s & Yr 2’s.
Wednesday 3’s & 4’s
Friday 5’s & 6’S

Talking about sport, on Friday there will be 4 football players from the Intrust Cup who are coming to the school for a football clinic.

Well done to the students who will be attending the Winton Poetry Festival in Sept who performed their poems at the local concert on Friday.

Thursday 4th of August there will be a year 11 PJ Disco, there will be heaps of games to play and food and drinks available.

For those who love reading books and writing Morris Gleitzman is coming to our school.

Make sure you’re wearing your school uniform and have a good week.

Thanks
Riley, Lily, Angus and Mia.

Secondary Captains’ Report

Hello Everyone,

Welcome back to another term. It has been great to see you all back looking fresh faced and ready for another term. We hope you have all had a wonderful and relaxing holiday.

This term is going to be very busy for us all. In week four, we kick off with the Year 11’s pyjama disco. In week six, the senior agricultural studies students are going away to Emerald for their camp. In week eight, both the Year 10 and Year 11 students will be going on work experience – with the Year 11’s going to Brisbane. Also in this week, some of the Year 12 students will be undertaking the QCS exam as they prepare for university. Of course, in amongst all this, students will still be completing their exams and assignments. We understand that this will be a very busy term for you all; but regardless, we would like to see everyone complete their work to the best of their ability.

On Monday this week, the senior students were fortunate enough to attend a talk with Mr Paul Stanley about violence in the youth community in relation to the One Punch Can Kill Campaign. This indeed was a very emotional talk for some and was also a real eye-opener for all of the students. Having lost his son to youth violence, Mr Stanley spoke about his experience and making sure that teenagers are always making the best possible decisions at all times.

With the wet and cold weather around, we would like to remind students about wearing the appropriate winter school uniform. We still have a few more weeks of winter left, so please do the right thing by wearing the appropriate uniform.

It is great to see you all back and we wish you all the best for Term Three.

Thank-you
Tom, Cloe and Bronte

Primary Captains’ Report

Welcome back to school, it’s great to see everyone working hard and back into routine again. This week the year sixes have started “Lunchtime Fun.” This is a new initiative that some of the Year 6 students have created. They will prepare and run a different game each week for their fellow primary students.

For those who love reading books and writing Morris Gleitzman is coming to our school.

Make sure you’re wearing your school uniform and have a good week.

Thanks
Riley, Lily, Angus and Mia.
Prep Age of Dinosaurs

Last term in Prep, the students learnt about Dinosaurs. Through a variety of Age Appropriate Pedagogies, the students participated in activities that allow them to build on knowledge, inquire about theories and discover new things. After our visit to the Age of Dinosaurs Museum in Winton, the students were very excited to create their own museum in the classroom.

The students collaboratively planned their museum, ensuring that they included all the important things that they saw and experienced during their excursion. From their planning, they drew a map of the classroom and allocated an area for each item in their plan. Each student was assigned a task, in which to design and build that area of the museum.

The museum, aptly named, Prep Age of Dinosaurs, was opened to parents and students on Wednesday, 22nd June. At the museum, visitors experienced:

- an exhibition of dinosaurs discovered:
  - a shop to buy souvenirs; and
  - a lab, where palaeontologist where extracting fossils
  - a cafe, where food prepared by the preps, was offered
  - a palaeontologist experience, where visitors could dig for their own dinosaur bones.

The students had an amazing time preparing the museum for their visitors, and were able to share their wealth of dinosaur knowledge with them.

CONGRATULATIONS PREP!!
Gourmet Growing

The Year 9 and 10 Home Economics class have begun their cooking unit Gourmet Growing this term. The unit takes a look at the beef industry, in particular that of Central Queensland, the various cuts of beef and the most appropriate methods of cooking them and their accompaniments. Over the next term students will also learn about correct food safety and kitchen hygiene as well as the processes involved in completing a cooking lesson – including planning, writing a work plan from a recipe, following the work plan in a practical situation and evaluating the lesson and meal.

Our first week involved a demonstration of cooking a piece of corned beef and later in the week how to use the corned beef to make a Ploughman’s Lunch. The students first made their own damper before arranging the meats, eggs, cheese and accompaniments on rustic wooden platters to display a gourmet arrangement of ingredients. They worked well together in groups as they became familiar with the kitchen settings and utensil location.

Next week, Year 9 and 10 students are looking forward to creating their first independent meal this term!

Recipe of the Week – Week 1 – Corned Beef
Recipe of the Week – Week 2 – Spaghetti Bolognaise

Who can name all of the parts of a side of beef? Stay tuned for the answers in the next newsletter!

Interesting Facts

Five keys to safer foods –
Keep clean – wash your hands before and after handling food
Separate raw and cooked – never place cooked meat onto a board that has been used for raw meat
Cook thoroughly
Keep food at safe temperatures
Use SAFE water and raw materials

Mrs Brooke Miller
Home Economics/ Hospitality Teacher
On the evening of Friday the 15th July, students preparing for the Winton Poetry Festival had the opportunity to recite their poems to an audience of school members, family and friends. The night gave the children a chance to showcase their tremendous efforts. Miss Mitchell and I were impressed with both the students’ composure and entertaining performances! We look forward to seeing them compete against students in the district in Winton later this term, on the 7th of September! Congratulations to all the students below.

Ben Dickson   Brock Wren   Zoe Birse   Harrison Miller
Stefanus Farrell   Hannah Gronold   Cornelius Farrell   Sarah Luyt
Gracie Miller   Marthinus Farrell   Hannah Dean   Mia Dickson
Angela Luyt   Tobi Gentles   Sofie Wehl   Hayley Rowlands

Absent on the night: Ava Arnaboldi & Olivia Arnaboldi

Mrs Rafter
As you can see, it’s been a very productive year to date. The students and myself have been enjoying the challenges that have arisen through the introduction and improvement of the above facilities and practices. The senior students involved in the Certificate II in Rural Operations had visited the Emerald Ag College (EAC) last term to hone their skills in steel fabrication, Equine health and riding, yarding of cattle and animal observations. The staff at EAC have praised our students for their keenness and behaviour in their studies. This was also reinforced when Cloe Gribble and Jack Finlayson, our “star” pupils were asked to give an interview for Win News regarding their experience at EAC. It’s especially rewarding to be able to create a more ‘real-world’ learning environment and observe the interaction and learning that has occurred as a result. I would like to take the time to thank my students for their active roll in creating the current environment for our subject and hope to see continued improvement in their pursuits.
Once upon a time, Morris Gleitzman came to town...

MORRIS GLEITZMAN an internationally-famous author will visit Longreach, Barcaldine, Blackall & everywhere in between – yes, the author of such popular classics as Two Weeks with the Queen, Toad Heaven and Boy Overboard will be visiting the Central West from 25th -29th July, 2016. Everyone who loves reading, writing or being entertained is invited to take part in this wonderful opportunity.

ITINERARY:
Monday 25th July: Longreach
3:15pm ‘Adults Only’ – open to the public $15 per adult (RSVP 20/07/16); catered afternoon tea; Longreach Primary School campus

Tuesday 26th July: Longreach
Student sessions:
Longreach School of Distance Education
Longreach Primary School
Longreach State High School

Wednesday 27th July: Barcaldine
Student sessions: Barcaldine Prep-12 State School
3:15pm ‘Adults Only’ – open to the public $15 per adult (RSVP 20/07/16); catered afternoon tea; Barcaldine Prep-12 State School campus
6:30pm Dinner under the Tree of Knowledge – open to the public $40 per person (RSVP 20/07/16); three course meal; world premiere book launch of Morris’ new novel

Thursday 28th July: Blackall
Student sessions: Blackall State School

Signed copies of novels will be available to purchase throughout the week at each event. For further details or to book your place at one of the events during the week please contact
KYLIE BURTON on 0427 621 438.
Limited places at all events.
MORRIS GLEITZMAN IS VISITING
Barcaldine Prep-12 State School
Monday 25 - Friday 29 July

WHO IS MORRIS GLEITZMAN?
Morris grew up in England and came to Australia when he was sixteen. After university he worked for 10 years as a screenwriter. Then he had a wonderful experience. He wrote a novel for young people. Now after 35 books, he’s one of Australia’s most popular children’s authors. His books explore serious and sometimes confronting subjects in humorous and unexpected ways. They are published in more than twenty countries.

Year 7 Students Experiencing Home Economics and INTAD

At the end of Term 2, the Year 7 students participated in a day where they got to try out two technology subjects – Home Economics and INTAD (Industrial Technology and Design).

In Home Economics, each group worked to create Zucchini Banana Bread. The look of disgust was the reaction of students when they were informed that the banana bread incorporated the ingredient, zucchini. They soon changed their minds at the end of the lesson when they were able to taste test some delicious, moist zucchini banana bread and even take some home. Look out for the recipe to follow....

As the bread was baking, the class made fabric bookmarks. Each student sewed by hand several layers of fabric together using running stitch. They also included a decorative ribbon at the top which identifies the bookmark in a book.

Year 7 INTAD experimented with cutting and shaping acrylic using different methods and tools of the workshop. The day was very successful and enjoyable for all.

Mr Mitchell Bourne and Mrs Sharon Counsell
Technology Teachers
Zucchini Banana Bread

Ingredients:
- 2 cups SR flour
- ¾ cup sugar
- ¾ teaspoon baking soda
- ½ teaspoon salt
- 3 very ripe bananas, mashed (1 ½ cups)
- ¼ cup buttermilk (1/2 teaspoon vinegar mixed into milk)
- 2 large eggs, beaten lightly
- 120g butter, melted and cooled
- 1 ½ teaspoons vanilla extract
- 2 medium zucchini, grated

Method:
Grease large loaf tin with cooking spray and then line tin using Gladbake or similar.
Pre-heat oven to 180º C.
In a large bowl, whisk together the flour, sugar, baking soda and salt.
In a separate medium bowl, whisk together the mashed bananas, buttermilk, eggs, melted butter and vanilla.
Stir the banana mixture into the dry ingredients.
Measure 1 ½ cups zucchini, then squeeze it with your hands over the sink to remove as much excess liquid as possible.
Fold the zucchini into the batter then scrape the batter into the prepared load tin.
Bake the bread for 50 – 60 minutes until the inserted skewer comes out clean.
Transfer the pan to a cooling rack to cool, then lift the loaf out of the pan, slice and serve.

Enjoy!
